

Frequently asked Questions

How do I secure a date?

Golf outings require a \$200.00 deposit. Deposits are non-refundable after seven days and are payable by check or credit card. Your final count of players is required 7 days in advance of your function, in multiples of four. This is the minimum player count and cannot be reduced. A list of players paired into foursomes is required 7 days before your scheduled outing date.

What is considered proper dress?

Men: slacks, Bermuda length shorts, jeans(not torn), collared shirt, mock turtleneck.

Women: slacks or Bermuda length shorts, skorts, and a collared shirt or mock turtleneck.

Can I bring outside food and drinks?

Atlantic Country Club is prohibited by our food and beverage license to allow food and beverage by outside sources. We reserve the right to hold items including coolers until the completion of your outing day.

What about special contest holes?

We are happy to set-up contest holes for your tournament, such as closest to the hole, long drive, and closest to the line.

How long is the anticipated round?

An 18 hole round at Atlantic Country Club should be played in 4 hours 15 minutes.

Although outings typically have a high number of players an outing coordinator should factor roughly a five hour round.

What about a rain date?

As long as the course is playable the event will proceed as scheduled. If the course is deemed unplayable, you will have the opportunity to reschedule at a mutually convenient date.

What are the rules of the course?

Atlantic asks that you follow all USGA rules. All yardages are measured from the center of the green. Please replace divots, rake bunkers, and repair ball marks. Always use cart paths on all par 3's and hole 12. Keep carts 40 yards from the green. Carts are strictly prohibited from "long grass areas" fescue.
